

- b) assimilation and
  - c) integration.
- iii) The factors, which are standing against the rapid Sanskritisation of the scheduled castes, are
- a) low ritual status
  - b) low economic status and
  - c) low level of political participation.
- iv) Backward Classes Movement was based mainly on the realisation of the gap between lower castes and upper castes in terms of a) higher education and b) appointments in government services.
