Could you please distribute this call for papers among our colleagues?

Thank you and best.

Enrique

The journal *Sustainability* is pleased to announce its plan to publish a Special Issue on "Moving toward Sustainability: Rethinking Gender Structures in Education and Occupation Systems." Guest Editors are Sandra L. Hanson (Catholic University; hanson@cua.edu) and Enrique Pumar (Santa Clara University; epumar@scu.edu). *Sustainability* is a scholarly, international, cross-disciplinary, peer-reviewed, open access journal.

The full invitation for submission can be found at this link:
